

Essential Energy's 2017 Accredited Service Provider (ASP) Initial Safety Rules Training

Essential Energy as a Registered Training Organisation (RTO) is offering Initial Safety Rules training, aligned to National Units of Competency, across its footprint in 2017 to eligible Electrical Supply Industry (ESI) workers.

On successful completion of the initial training, Essential Energy's RTO will issue 2 Refresher Units of Competence.

1. UETDRRF01B Apply ESI Safety Rules, Codes of Practice and Procedures for Work On Or Near Electrical Apparatus
2. UETDRRF09B Apply Access Procedures to Work On or Near Electrical Network Infrastructure

The initial training in the Essential Energy Safety Rules is a Mandatory requirement for Essential Energy Authorisation:

This training supports the need for national mobility of the ESI workforce and provides a standardised approach for workers to gain and maintain approval to work on or near electrical supply industry networks.

Course Duration

- > Duration of 4hrs either (8.00am – 12.00pm or 12.30pm – 4.30pm)

Fees – Scheduled Course (Monday – Friday GST does not apply)

- > \$350 per participant

Additional Non Scheduled Course Fees

Additional courses can be arranged on request (subject to availability of trainers).

Confirmation

A confirmation email will be sent to participants and employers on enrolment into course. A reminder email will be sent 10 days before the course commences.

Cancellations

Cancellations of enrolments must be received two working days before the commencement of the course or applicable charges will apply.

Payment

Essential Energy will mail the relevant invoice to participants upon completion. Participants will be required to pay for their course within 30 days of receipt of invoice.

Essential Energy's 2017 Accredited Service Provider (ASP) Initial Safety Rules Training

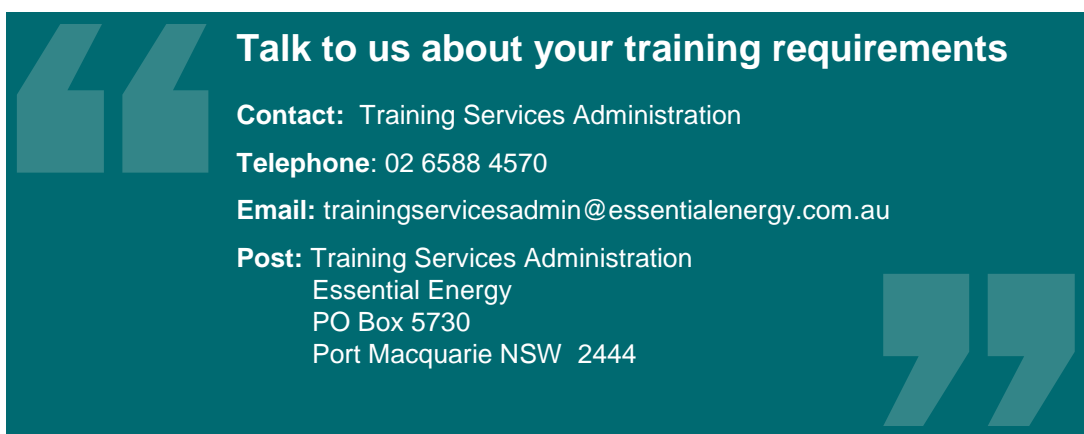

Statements of course completion

Upon successful completion of the initial training and assessment, participants will be issued a statement of attainment. This will be done via email to the employer.

Unique Student Identifier (USI)

The USI is a reference number allowing students to access all their training results from all Vocational Education Training (VET) providers. The USI is available online and at no cost to the student and stays with that student for life. The student can create their own number, or Essential Energy RTO can create one on their behalf by selecting this option on the enrolment form.

More information is available at <http://www.usi.gov.au/Pages/default.aspx>
